I came to Eastern Approaches by way of a glowing testimonial in Peter Hopkirk's The Great Game (see my review elsewhere). The front cover calls Maclean's memoir "The best book you will read this year" and for once a clever line in a blurb is hard to challenge. Eastern Approaches will linger in the memory for many a year.

Eastern Approaches is a memoir of the early career of Fitzroy Maclean. It is divided into three parts: his life as a junior diplomat in Moscow and his travels in the Soviet Union, especially the forbidden zones of Central Asia; his exploits in the British Army and SAS in the North Africa theatre of war; and his time with Josip Broz Tito and the Partisans in Yugoslavia. Maclean was considered to be one of the inspirations for James Bond, and this book contains many of the elements: remote travel,
