Online at Low ...

I find the Night Prowler novels to be witty, funny, charming, action packed, heartfelt, thoughtful, and at times heart-wrenching. The characters are quite well developed, and despite the fact that these are romance novels and thus full of the fake romance smut, the plots are well done and the character interactions are (mostly) believable.

Shadow's Edge Summary. Leander McLoughlin is leader of the Ikati, an ancient tribe of beautiful, savage shape-shifters who live hidden in the forests of England. Their survival is rooted in secrecy, a secrecy threatened by the very existence of one raised outside the tribe. Charged with capturing her before she can expose their secret, Leander tracks the unsuspecting outsider to Southern California.
