But what's it really like to switch gears from a gas-powered engine to one you plug in?

Considering an electric vehicle? Here's what to expect if you've never driven an EV before. Honda, like bigger rival Toyota Motor, has been slower to shift to electric vehicles (EV) than global automakers and is under pressure from investors to make cars that are carbon-free and equipped ...

Sony, Honda sign JV to sell electric cars by 2025 It's not unusual to see electric cars on Southern California's roads. Now, a wide variety of them are gathered in one place to check out: Electrify Expo, held at the Long Beach Convention Center.
