Fantastic Future is Ashlee Vance 's biography of Elon Musk, published in 2015. The book traces Elon Musk's life from his childhood up to the time he spent at Zip2 and PayPal, and then onto SpaceX, Tesla, and SolarCity. In the book, Vance managed to get regular interviews with Musk, those close to him, and those who were with him at the most important points of his life; Musk had no control over the biography's contents.
