Below you find the classroom assignments and PPT's used for Chapter 1, Science and the Environment. You may use this website for access to PPT's, guided notes, and make up assignments.

Environmental Science | na-es

Pre-test A good way to be introduced to your students and the background knowledge they bring to the course is through a pretest. This test is a mixture of open-response, multiple choice, and true/false type questions. Each of the major units typically covered in an introductory environmental science course is addressed in this pretest.
