Epicor 9 and ERP 10 Technical Comparison

I've had the Epicor provided training for BPMs, BAQs, DMT, ServiceConnect et al, far too compressed training IMHO (or maybe I'm just getting too old & too slow). I have the Epicor provided PDFs &

manuals covering the same topics (these are badly written, examples don't refer to the same elements in the program as the exercise you're supposed to be following). I've been looking at this material ...

Epicor 9 Training Material - Tech

The Epicor University courses, EUP's user manual are deliberately generic so as anyone can get going to test the system standard processes versus their business processes but it is up to you to create training materials as relate to your business, product, processes - they should become your standard operating procedures and should facilitate multi-skilling - ie if anyone follows this process then our transaction will be done properly.

“Epicor played a major role in helping our team to learn and take advantage of the new functionality in the latest version of Epicor ERP. Their web-based educational videos allowed us to assign training via email and monitor each person’s progress. By completing online training in advance of our target launch date, our team transitioned easily to the new interface, because they already ...
