Embedded courses
are a new feature
of Epicor 9 that
allow users to
access education
courses from within
the application.
These courses are
similar to the self-
paced packages
offered for other

Epicor products, although users can access the courses directly from their application, rather than enroll in them through Epicor Learning.

Epicor User Manual familiar to Epicor 9 users, like business

activity queries (BAQs), dashboards, Epicor Mobile Access, and Enterprise Search. Over time, ICE was made available to Epicor Eclipse and iScala®customers.

Epicor 9 and ERP 10 Technical Comparison
I've had the Epicor

provided training for BPMs, BAQs, DMT, ServiceConnect et al, far too compressed training IMHO (or maybe I'm just getting too old & too slow). I have the Epicor provided PDFs & manuals covering the same topics (these are

badly written, examples don't refer to the same elements in the program as the exercise you're supposed to be following). I've been looking at this material ...

Epicor 9 Training Material - Tech The Epicor

University courses,
EUP's user manual
are deliberately
generic so as
anyone can get
going to test the
system standard
processes versus
their business
processes but it is
up to you to create
training materials
as relate to your
business, product,

processes - they should become your standard operating procedures and should facilitate multi-skilling - ie if anyone follows this process then our transaction will be done properly.
