Online Event: A Book Talk on 'China: The Bubble That Never Pops' Faithful Economics The Moral Worlds

In the economic dimension, we carry a two-fold obligation: (1) confront economic injustice (of greed, domination, violence, and exclusion) and (2) live practically the values expressed in the Sermon on the Mount (offering numerous likely applications). A final word about the subtitle to FE—The Moral Worlds of a Neutral Science.

Faithful Economics: The Moral Worlds of a Neutral Science ...

Economics is a value laden enterprise—and this despite the oft repeated claims of neutrality, objectivity, and the absence of bias. This volume explores the relationship between Christianity and economics, arguing that the two can and should be integrated. While no single Christian perspective drives the book, the authors do share in common a belief that scholarship shaped by Christian ...
