I purchased a new to me cnc lathe (hwacheon HiEco 21hs with a Fanuc 18t) back in September. Before moving it I had the batteries in the control replaced, so its possible a parameter was lost at this time. I am just now getting around to setting the machine up. On power up, the machine's absolute position is shown as a value that wouldn't be possible (as in its outside of the machines total ...
