Felt Board Fun: For Everyday & Holidays by Dick Wilmes

Aside from all the educational and play benefits of using felt boards, we really like it because it easily stores under our coffee table (or under a couch or bed, or behind a shelf, or it can be hung on the wall) so it 's out of the way and the pieces are easy to store in plastic bags or a small bin. We also love that it is so versatile so Little doesn 't get bored with it easily.
