Apart from psychoanalysis and feminism, the other area in which feminists have appropriated and developed poststructuralist theory has been in their engagement with the work of Michel Foucault. Several key feminist concerns figure centrally in Foucault's work: the body as a site of power central to the constitution of subjectivity, the dispersed, discursive nature of power and power's link with knowledge.

Synopsis. An exploration of the intersection between the work of Michel Foucault and feminist theory, focusing on Foucault's theories of sex/body, identity/subject, and power/politics. Like the other books in this series, this volume seeks to bring a feminist perspective to bear on the interpretation of a major figure in the philosophical canon. In the case of Michel Foucault, however, this aim is somewhat ironic because Foucault sees his work as disrupting that very canon.

In this book, the author attempts to integrate previous work on Foucault with feminist theory. She expands discussion of feminism and sexual liberation, charts the impact of Foucault on humanistic studies, and picks up an aspect of the mothering theme, the question of new reproductive technologies.

cue from Foucault's later development of an agonistic model of power,<sup>1</sup> in which multiple, interweaving power relations are viewed as inherently contested, as best expressed by his adage, "where there is power, there is resistance"; and third, postmodern feminist writings on sexual and gender

### Feminism and Empowerment: A Critical Reading of Foucault

Several essays explore the implications of this deconstruction for feminist politics and suggest that a Foucauldian feminist politics is not viable. Overall, this collection illustrates the range of interest Foucault's thought has generated among feminist thinkers and both the advantages and liabilities of his approach for the development of feminist theory and politics.

This volume presents an exploration of the intersection between the work of Michel Foucault and feminist theory, focusing on Foucault's theories of sex/body, identity/subject, and power/politics. Like the other books in this series, this volume seeks to bring a feminist perspective to bear on the interpretation of a major figure in the philosophical canon.

### Feminist Interpretations of Michel Foucault - Susan Hekman ...

While feminists have found Foucault's analysis of the relations between power and the body illuminating, they have also drawn attention to its limitations. From the perspective of a feminist politics that aims to promote women's autonomy, the tendency of a Foucauldian account of power to reduce social agents to docile bodies seems problematic.

### Michel Foucault > By Individual Philosopher > Philosophy

Freedom and the subject were guiding themes for Michel Foucault throughout his philosophical career. In this clear and comprehensive analysis of his thought, Johanna Oksala identifies the different interpretations of freedom in his philosophy and examines three major divisions of it: the archaeological, the genealogical, and the ethical.
