Fencing The Modern International Style [EBOOK]

Fencing: the modern international style is a systematic, in-depth introduction to the theory and practice of fencing both the how and the why. Unlike most introductions, its purpose is to give students enough knowledge to teach the sport, not just practice as beginners.

Fencing: The Modern International Style: Lukovich, Istvan ...

The one thing I have to disagree with is the existence of a modern international style. Yes, fencers shape their bodies according to sound technical principles. But the one thing that makes fencing stand out as a sport, is that you can learn to use certain shortcomings to your advantage, molding fencing technique also according to your body's properties.
