2. The origins of the French legal system The basis of the French legal system is laid out in a key document originally drawn up in 1804, and known as the Code Civil, or Code Napoléon, (Civil code or Napoleonic code) which laid down the rights and obligations of citizens, and the laws of property, contract, inheritance, etc.. Essentially, it was an adaptation to the needs of nineteenth-century France of the principles of Roman law and customary law.

Download Ebook French Legal System And Legal Language

The French legal system is a tad different from other legal systems across the western world. The United States, the United Kingdom and even neighboring European countries have a different legal system.

While French law does adhere to the standards set aside by the European Union and respects all the laws applicable to the members, the domestic French laws are considerably varied, right from how they are inspired and conceived to how they are adhered to.
