Generac 5500XL Generator Owners Manual
I have a Generac 5500XL with a Generac 11HP motor on it. I bought the generator back in 1998 or 99 and have mostly used 10W-30 in it. The owners manual recommends 10W-30 in the summer and 5W-30 or 5W-20 in the winter. I rarely use it so I don't want to switch between summer and winter, I want to use the same oil year round.
