This is more than the most useful book I've ever read on entrepreneurship: Mullins and Komisar challenge and redefine how organizational strategy and innovation ought to be managed in any company.

Amazon.com: Getting to Plan B: Breaking Through to a ...

Getting to Plan B sheds new light – and refreshing clarity – on the term business model and will give you a process to discover a better one for your business old or new, as well as a framework for organizing your thinking. It will reinvent your business plan, and your approach to business planning, too.

Getting to Plan B

It's a book about, in a sense, 'business discovering'. Getting to Plan B is a structured process of discovering, over time, a fluid pattern among the five business model* elements that, working together, will make the economics work (provided the business model is sound), so you don't run out of money along the way.

“Getting to Plan B is a treasure trove of clear, practical lessons for entrepreneurs. It is real-world, hard-hitting, and prescriptive—not the fuzzy theoretical stuff found in too many business books. Komisar and Mullins repeatedly challenge conventional wisdom with experience and insight. This is a must-read.”

Getting to Plan B: Breaking Through to a Better Business ...

To get a Part B premium reduction plan, you must be enrolled in Part A and Part B. Then, you must not have End-Stage Renal Disease or accepting government assistance that pays part of the Part B premium already. But, if you don't qualify for a give-back plan, there are plenty of plan options on the market.
