Google Drive & Docs In 30 Minutes is my best-selling title, and has helped thousands of people all over world get the most out of Google Drive. I started using Google's online office suite when I was a technology editor working for Computerworld magazine. At first, there was only a simple word processor called Google Docs, but soon it was joined by a spreadsheets program, online storage, live collaboration, and many other cool tools.

### Google Docs

'Google Drive & Docs in 30 Minutes' was perfect for me as I am researching IT solutions for a small non-profit organization. As my background is in Microsoft products, I was not being totally open minded about the Google solution. Then I was talking with my son who is a pilot and Director of Safety for a freight company with 30-40 employees.
