wheat over white bread, and have whole grain ...

~~More From Forbes~~

Both the popular diets led to the research participants losing weight, but only one of the diets stuck once the study was over.

~~Researchers put the Mediterranean and keto diets to the test to see which is best~~
Keto proponents claim the diet reduces appetite, melts abdominal fat and boosts mental sharpness, once a person is over the first few days of "keto flu," a feeling of malaise, fatigue and brain fog ..

~~Diet showdown: Keto versus Mediterranean. Which won?~~

I'm right there with them the whole time — my niece, who I've known since she was a baby, my children walked in her wedding — and there's this encephalocele. It's giant.
