GURPS Magic is a 240 page rulebook for GURPS 4th Edition with content by Steve Jackson, S. John Ross and Daniel U. Thibault. Most of the spells are slightly reworked versions of Classic Edition spells from GURPS Classic Magic, GURPS Grimoire, and a few other places. Additional information for magic appears in GURPS Fantasy and GURPS Thaumatology.

GURPS Magic - Steve Jackson Games

GURPS Magic is a supplement of magic rules for use in fantasy milieus, an expansion and replacement of the rules in 1st edition GURPS Fantasy, entirely revised for use with the GURPS 3rd edition. The book is very detailed, and the spell rules enable the player to custom-design a character's magical abilities, although this can take a fair amount of time and effort. The book includes an ...

GURPS Magic does exactly what it sets out to do, from it's excellent spell design rules and extra spells for the default magic system to it's simple yet well-made systems for entirely new, more freeform magic. As GURPS supplements go, it is one of the best I have ever owned, and does it's job not just well, but with panache.

The Various Magic Systems in GURPS | GURPS Wiki | Fandom

GURPS Magic presents a colorful, detailed magic system. But it's much more. It is designed for easy modification . . . for the GM who wants to create his own background, or set adventures in the world of his favorite fantasy author. And it's flexible. Players can create any sort of wizard character they choose, from eager apprentice to mad hermit, from saintly healer to sinister necromancer ...

GURPS Magic contains nothing but magical source material; all the world-specific background has been removed. (The world of Yrth has its own book: the second edition of GURPS Fantasy.) This book repeats the magic rules from the Basic Set, for two reasons. First, some buyers of this book will be using earlier GURPS editions, which did not include magic. And second, it seemed worthwhile to keep ...

MAGIC - The Trove

GURPS magic system. However, magic is not, amenable to reality checks. Therefore, every, fantasy author treats magic a little differently. This system is designed to encompass, in a, playable manner, the most common literary, concepts of magic. This system treats magic in a somewhat, mechanistic fashion. A given spell usually, produces a given effect, and these effects are, carefully defined ...

This GURPS Magic is a revision of the 3rd edition rules with the addition of GURPS Grimoire wich included many new spells. The rules for magic didn't change much since 3rd edition and that is a good thing because they where consistent and balanced. The each spell as a separate skill aspect continues in 4th edition.

Fath/Book magic (Thaumatology) has its origins in GURPS Voodoo, and contains a completely different set of effects. Spell casting takes a while (typically 10-60 minutes), and the results tend to be subtle: disguise the subject as someone else, make them a more convincing liar, make them lucky, let their car run better, etc.
