Happiness and the Christian Moral Life introduces students to Christian Ethics looking at ethics as a path to the "good life" and happiness, rather than a strict set of rules. Revisions and updates include lists of suggested readings and resources, new discussions of how technology shapes relationships, a more fully developed account of Augustine and happiness, and more.

Table of Contents: Happiness and the Christian moral life 2012

When happiness is understood in terms of lasting joy, instead of temporary pleasure, the way in which Christian morality can be said to be compatible with happiness becomes clear. Though a Christian must, from time to time, forgo certain temporary pleasures, the Christian moral life instills a deep and irrevocable joy.

The Christian Integration of Morality, Freedom, and Happiness

Happiness and the Christian Moral Life introduces students to Christian Ethics looking at ethics as a path to the "good life" and happiness, rather than a strict set of rules or regulations. Revised

Staff View: Happiness and the
Christian moral life

Happiness and the Christian Moral Life introduces students to Christian ethics through the lens of happiness. The book suggests that the heart of ethics is not rules and obligations but our deep desire for happiness and fulfillment. We achieve that happiness when we become people who love the good and seek it in everything we do.

provides an extensive and wonderfully
engaging introduction to deep thinking
about the moral life. I have never read
an introduction to Christian ethics
which more warmly invites readers into
the profoundly interconnected
consideration of virtue, friendship,
narrative, and happiness, or which
more richly deserves a new edition.
