*How to Help Struggling Readers - Reading Strategies ...*  
One of the dilemmas facing teachers who are supporting struggling readers is ensuring that the student gets a broad and balanced curriculum, while also targeting the key areas of need. Children who present with literacy difficulties will benefit from whole-class work and activities, alongside the interventions delivered by the support teacher.

*Effective Interventions for Struggling Readers*  
A struggling reader may only be able to read short, short books with scant interest or depth, which offer little motivation to continue to work on reading. When you read aloud or have a program such as an iPad app that reads books aloud (call it old-fashioned, but a real human reading to children is better), your child has the opportunity to focus on the meaning of the words and content.

Encourage him to look at the words as you read aloud to him. Continue to solidify phonics instruction with rhyming games while reading similar sound poems and books each day. Add 3-4 new memory sight words to their vocabulary each week to give them a set of words they don't feel like they must... ...

*How to Teach Reading Skills to Struggling Readers: Tips ...*  
Reading fluency is most commonly assessed by listening to children read aloud. When readers lack fluency, their oral reading sounds choppy or hesitant, lacking the accuracy, rhythm, and flow that indicates confident understanding of the text. When reading aloud, the student should focus on accuracy rather than speed.

Starting the school year by explicitly teaching the most effective comprehension strategies by modeling and practicing them will help children learn to employ them when they read independently all year long. Many children are not aware that good readers use reading strategies, so this is good teaching for everyone.

*Effective Comprehension Strategies For Struggling Readers ...*  
Helping Struggling Readers To help motivate these children teachers should consider activities that include kinesthetic, musical or other modalities that can enhance learning for struggling readers of all types. Teachers should try to include real-world connections and ask students to engage in tactile activities whenever possible.

*Helping Struggling Readers Succeed in the Upper Grades - (TKL)*  
Fighting about reading will obviously bring more frustration and possible tears. Showing that you care, showing that you are on your child's side, and showing that you sincerely want your child to succeed, will help to turn a reluctant and struggling reader into a successful reader. Remember that it's all in the delivery.
