Our Homebrew Wind Turbine Evolution
Messing with wind turbines has been somewhat of a hobby for me for about 20 years. We've always lived off the power grid since 1970 (I was 3 then). For several years during the '70's we had battery radios and kerosene lamps.

Our Homebrew Wind Turbine Evolution | Otherpower
Wind power can be an excellent complement to a solar power system. Here in Colorado, when the sun isn't shining, the wind is usually blowing. Wind power is especially helpful here in the winter to capture both the ferocious and gentle
