There's lots to find out about your new Honda outboard before you take it out on the water, and it's all in the Owner's manual that comes with it. Features, functions and basic maintenance procedures – it's all very important stuff, so keep it in a safe place for reference and read it before you use the outboard for the first time.

Owner manuals It's important to read through your manual
before you use your Honda Industrial product for the first
time. It covers the basic features and functions and describes
maintenance procedures for keeping it in good condition.
Keep your manual safe for future reference.
