HONDA AERO 125 (NH125) The
Aero 125 (model code NH125)
is a rather uncommon
scooter. In North America,
it was only offered for 1984

and even then it wasn't sold
in Canada or California.

After 1984 this scooter was
dropped, likely due to the
same emissions regulations
that coaxed Vespa out of
North America in the early
80's.
