"Hotels, Hospitals and Jails," Swofford's new memoir, is a thoroughly compelling read. It's brutally honest in its depiction of the author's readjustment to civilian life after combat, and amidst the trappings of professional success. Most of the book is set post-"Jarhead," but it occasionally dips back into the author's early childhood.

Amazon.com: Hotels, Hospitals, and Jails: A Memoir ...

I give "Hotels, Hospitals and Jails" a very reluctant two stars. Anthony Swofford is a good writer and the book was somewhat entertaining but I really don't like him as a person and found a lot of the book really annoying. I wouldn't have finished it if it were something I were actually reading (I listened to it as an audio book).

Hotels, Hospitals, and Jails: A Memoir by Anthony Swofford

His new memoir, " Hotels, Hospitals, and Jails, " offers a portrait of his father, John Howard Swofford, as a terrific bastard — to Anthony, his " spitting image, " as well as to everyone else.
