Choosing a college is part science: making sure they have the academic major or extracurricular activities of your choice in the location you like and with the opportunities you seek. But, choosing the “right” school for you is also very much an art.

~~How to Choose a College: A Complete Guide - College Raptor~~

Choosing a college is about more than the name on the diploma. Where a student goes to school touches numerous aspects of his or her life, from academic studies to social activities and beyond....

~~10 Steps to Choosing the Right College | Best Colleges ...~~

You can either choose a particular College or, if you don't have a preference, you can make an ‘open’ application and accept the allocation made by a computer program. In both cases, your UCAS application is sent to a College, and that College assesses it.

~~Choosing a College | Undergraduate Study~~

Figuring out how to choose a college is no easy task. There's no crystal ball that can predict how you'll fare once you set foot on campus. While the factors covered here are a great place to start, you'll likely have your own additional considerations to add to the list.

~~How to Choose a College: 7 Key Factors to Consider~~

There are so many different factors to consider when choosing a college. The ones you should focus the most on are the size of the school, the degree programs they offer, cost, distance from home, and the type of area around the school. Have an idea of what you want to study, and start out by looking up schools that are strong in that field.

~~How to Choose a College (with Pictures) - wikiHow~~

When choosing a College preference, we suggest that you take the following steps: Look at the key facts and figures and the acceptance statistics for each College, and shortlist preferred Colleges. Look at different College websites to get more detailed information about the features, facilities and aspects that you feel are most important to you.

~~Choosing a College | Postgraduate Admissions~~

You can put a college's campus code on your UCAS form to specify a preference but you might still be shortlisted and offered a place by another college. This 'reallocation' helps us ensure that the best candidates, regardless of which college they select, are offered places.

~~Do you choose a college? | University of Oxford~~

There's no magic formula for choosing a college, but there are steps you can take to find a good fit. Use this tool to start your journey.

Another posh college with a cool bar, a conservatory space with a grand piano, and good atmosphere. Like all Bailey colleges, its location favours the humanity student (so, like ,everyone in ...

~~A beginner's guide to Durham colleges~~

Which college you choose will partly determine whether this time is spent in something akin to a mansion or a closet in which you couldn't swing a textbook, let alone a cat. What's more, some colleges offer accommodation for the whole of your course, whereas at others you may find yourself competing against everyone else in the private housing market after your first year. All undergraduate ...

~~How to choose a Cambridge College | The Student Room~~

We encourage every applicant to express a college preference, should you have one, using the college codes in your UCAS application. Your college preference and college allocation has no reflection on your application to Durham and getting an offer; that decision is made by your academic department.
