Hunter Xc Sprinkler Manual - bitofnews.com
A Hunter irrigation system includes underground sprinklers

that pop up to water your lawn after the zone valve that controls them is activated either manually or by a connected timer. As winter approaches, the entire system requires drainage to prevent damage.

How to Winterize a Hunter
Sprinkler System | Hunker
A manual back-up utility that
stores complete controller
scheduling and setup information
in back-up memory. This allows
the saved watering schedule to be

restored at any time. This can be used to set a controller back to its initial settings after tampering or at the beginning of a new season.
