I hear you singin' in the wire, I can hear you through the whine And the Wichita Lineman is still on the line I know I need a small vacation but it don't look like rain And if it snows that stretch down south won't ever stand the strain And I need you more than want you, and I want you for all time And the Wichita Lineman is still on the line

Caleb Santos Lyrics. "I Need You More Today". It's how you used to say. I love you and I miss you. It's how you pretend to love me then. When you wandered off the things we've done before. Now it's too late to turn back anymore. I used to say I love you. I used to say I miss you.

I need You more than anything. I need You, I need You. I need You like the ground needs rain. There's nothing that could take Your place. I need You more than anything. I need You, I need You. In my weakness, You will be my strength. In the darkness, You will be my light. Through the chaos, You will make a way.

I Need You More Chords - Kim Walker-Smith Worship Chords

More than is a phrasal preposition. It can be used as a substitute for over. More then is either a misspelling or a clue that you need to revise your sentence. You can remember to always choose more than since it is spelled with an A, like the word “appropriate.”

And I need you more than ever
And if you only hold me tight
We'll be holding on forever
And we'll only be making it right
'Cause we'll never be wrong
Together we can take it to the end of the line
Your love is like a shadow on me all of the time
(all of the time) I don't know what to do
I'm always in the dark
Living in a powder keg and giving off sparks
I really need you tonight
