This comprehensive reader on indigenous archaeology shows that collaboration has become a key part of archaeology and heritage practice worldwide. Collaborative projects and projects directed and conducted by indigenous peoples independently have become standard, community concerns are routinely addressed, and oral histories are commonly incorporated into research.

Indigenous archaeologies; a reader on decolonization ...

As most authors note in Indigenous Archaeologies: A Reader on Decolonization (Bruchac, Hart, and Wobst 2010) and Bridging the Divide: Indigenous Communities and Archaeology into the 21st Century (Phillips and Allen 2010), the discipline of archaeology has been slow to redress colonial practices in and attitudes about how we engage with Indigenous peoples.
