Individual Student Data Notebooks - [bduqh.helloawesome.co](http://bduqh.helloawesome.co)

Currently one-third of the classrooms in our school have implemented, or are waiting to implement, data notebooks this school year. Data notebooks have provided our students with specific, individual information about their academic strengths and weaknesses. The teachers who have begun using the notebooks say their students are more interested in their learning and understand more about what they are doing and why.
