expelled from Uganda arrive in the UK That seems to open the door to the idea of a British race, although since modern Britain only became an entity with the Act of Union in 1707 we are still a relatively young race.

~~BBC News | UK | Are the British a race?~~
a common language and literature It is

Read Book Is This English Race Language And

important to remember that everyone has an ethnicity and 'white British' is an ethnic group. Bhavnani et al (2005, p. 213) point out that it is common in British culture for 'ethnic' to be wrongly used as synonymous with non-white or not-western, for example with 'ethnic clothes' or 'ethnic restaurants'.

The origins of research on race and language

Read Book Is This English Race Language And

can be traced back to early studies during the US civil rights movement in the 1960s and 1970s, which sought to legitimize the linguistic variety of African American English. By the 1990s, influenced by the more well-established subfield of language and gender (and arising alongside research on language and sexuality), scholars of race
