Download the full report (pdf) Summary. Contrary to popular belief, conventional armies can indeed defeat terrorist insurgencies. This study will detail the six basic conditions which, if met, enable an army to fight and win the war against terrorism, among which are control of the ground where the insurgency is being waged, acquiring relevant intelligence for operations against the terrorists ...

Winning Counterinsurgency War: The Israeli Experience
The Jewish insurgency in Mandatory Palestine, known in the United Kingdoms the Palestine Emergency,[5]was a paramilitarycampaign carried out by Zionistunderground groups against British rule in Mandatory Palestine. The tensions between the Zionist underground and the British mandatory authorities rose from 1938 and intensified with the publication of the White Paperof 1939.
