Social relationships play a key role in depression. This is apparent in its etiology, symptomatology, and effective treatment. However, there has been little consensus about the best way to concept...

Depression and Social Identity: An Integrative Review ...

In recent years, there has been a renewal of interest in the processes through which groups coordinate social perceptions and judgement. This topic is particularly important for the study of stereotyping, as most of the impact of stereotypes derives from the fact that they are widely shared within social groups.

Social Identity Salience and the Emergence of Stereotype ...

Mechanisms of gastroesophageal reflux in healthy premature ... Li 7 La 3 Zr 2 O 12 (LLZO) solid-state electrolyte is garnering interest due to its potential to enable solid-state batteries (SSBs) using metallic Li anodes. However, Li metal propagates along LLZO grain boundaries at high Li plating current densities (above the critical current density, CCD). In the present study, we examined whether microstructural aspects, such as grain size, could ...

Controlling and correlating the effect of grain size with ...

Haslam grew up in Epsenham, Essex and completed his secondary education at Felsted School. He holds a Master of Arts (MA) degree from the University of St Andrews and a PhD from Macquarie University (Sydney). His doctoral work at Macquarie was supervised by John Turner (psychologist) and funded by a Commonwealth Scholarship.

Vegetarianism as a social identity - ScienceDirect He was born in Knoxville and graduated from Emory University in Atlanta, Georgia. He began his career in business, joining his father, Jim Haslam, who was the founder of Pilot Corporation. Haslam rose to president of Pilot Corp in the 1990s, after his brother Jimmy Haslam became the company's CEO.

Bill Haslam - Wikipedia The regulation of emotions is essential in everyday life. In this paper, we discuss the regulation of positive emotional experiences. Our discussion focuses on strategies aimed at maintaining and increasing experiences of positive emotions. We discuss the importance of these strategies for well-being, and suggest that cultivating positive emotions may be particularly useful for building ...
