The Ethics of Voting. Jason Brennan. Overview. Author (s) Reviews 7. Nothing is more integral to democracy than voting. Most people believe that every citizen has the civic duty or moral obligation to vote, that any sincere vote is morally acceptable, and that buying, selling, or trading votes is inherently wrong.

The Ethics of Voting | Princeton University Press

The Ethics of Voting by Jason Brennan is a book which outlines a contrasting argument to the idea that it is the civic duty of individuals within a democracy to vote.

The Ethics of Voting - Wikipedia

The Ethics of Voting. . . offers a set of provocative and tightly-argued claims. It also changes the way scholars across the social sciences and humanities might want to ask questions about voting. . . . Jason Brennan has written a short, accessible, and tight book that deserves a place on scholars bookshelves.

The Ethics of Voting: Amazon.co.uk: Brennan, Jason ...

Jason Brennan's The Ethics of Voting 1. Another poster wrote that voting was just like a free market. 2. I disagreed, writing that voting did not have, inter alia, the same discipline. 3. I concluded my point by making the aside about voting for tax decreases and entitlement increases, which is ...

Jason Brennan's The Ethics of Voting - The Volokh Conspiracy

Nothing is more integral to democracy than voting. Most people believe that every citizen has the civic duty or moral obligation to vote, that any sincere vote is morally acceptable, and that buying, selling, or trading votes is inherently wrong. In this provocative book, Jason Brennan challenges our fundamental assumptions about voting, revealing why it is not a duty for most citizens--in fact, he argues, many people owe it to the rest of us not to vote.

Jason Brennanthe Ethics Of Voting Hardcover2011 [EPUB]

Next to Bryan Caplan's "The Myth of the Rational Voter", this is my favorite book on voting. "The Ethics of Voting" by Jason Brennan challenges many of the fundamental arguments that are made by democratic fundamentalists about voting while using a great body of research and data to back up Brennan's claims.

The Ethics of Voting by Jason Brennan - Goodreads

Brennan offers a set of arguments against the “folk theory” of voting ethics, which main- tains (in part) that voting per se is an exercise in civic duty. He offers a provocative alter- native and an “expansive conception” of civic duty and virtue: even if one has a civic duty that she is morally bound to discharge, she can do so through non-political channels.

Jason Brennan: The ethics of voting, Public Choice | 10 ...

In *The Ethics of Voting* (Princeton University Press, 2011), Jason Brennan presents a provocative case for thinking that citizens who choose to vote have a duty to vote well. He then argues that voting well is difficult, and concludes that not only is there not a strong duty to vote, but, for many citizens, there is a duty not to vote.
