John Deere offers a complete line of mowing and lawn maintenance equipment to meet your needs: from automatic robot mowers to utility tractors, and more.

~~Lawn & Garden Equipment | John Deere~~

The ideal John Deere lawn mower for you depends on your acreage and how much power you need. First, choose between a front- or a rear-engine mower. Since rear-engine models generally have smaller decks, they ' re lighter and more compact. This makes them easier to maneuver and store. If you need a more powerful engine that can tow heavy loads, browse our front-engine riding tractors. A zero ...

Most folks looking for a John Deere rear engine are looking for the John Deere 68 rear engine riding mower. You can see a picture of the John Deere 68 below. Unfortunately, this mower is no longer in production, and the reason is simple. Front engine mowers have more space, better speed, more room, and are overall a better option.
