You need parental involvement, and it can be difficult for some families to find time to complete it. One of my co-workers wanted a monthly calendar that students could do with their families. I created these editable monthly homework challenges so that families can complete the activities on their own time. They won't need a lot of materials, and they can easily be done in a few minutes.

Kindergarten Daily Homework - openapil06.tasit.com  
About 6 years ago I decided to simplify my homework program. Rather than giving weekly homework packets (mostly worksheets), I decided to try giving monthly assignments. I had tried this in the past (using the monthly calendars from the book Kindergarten Homework ) but many of the activities were "unstructured" and my parents just weren't following through with them.

Monthly Homework - kellyskindergarten.com  
It was common practice to send students home every day with a worksheet to do to keep what they have learned at the school practiced. These five homework worksheets are designed to encourage reading, English, and math-problem-solving skill of your kids. Our worksheets are also expected to help kids explore topics, practice skills, and build knowledge.
