The Ewha Korean language book is the first ever Korean language textbook that I have bought after I decided to study Korean seriously. After multiple hunting online (i.e. reading reviews and getting side-tracked along the way hihi), I finally decided to take the leap and finally bought the first two books in the series.

Best Ewha Korean 1 2 Textbook in 2020 Reviews & Guide  
The Ewha Korean textbooks are my favorite textbooks for learning Korean. The most important reason for that is that they ' re great for self-study. There are some classroom dialogue exercises in the textbooks, but those are not frequent enough to frustrate someone studying Korean outside a classroom setting. Another big plus is that almost everything, including the exercises, is in Korean from ...

Textbook Review: Ewha Korean Workbook 2-1 English Version A couple days ago, I posted a review about the Ewha Korean textbook that I purchased six months ago from here. Along with it, I decided to pick up the workbook so I could get in a bit more practice than the textbook offered. The structure of it is very similar to that of the textbook when it comes to the way it's laid out. The content ...
