~~Apprentice Online Trading Courses for Beginners—Trading...~~

Day Trading Stocks and Futures Part-Time Day traders only need to trade stocks or futures markets for about one to three hours per day. While a few day traders do trade all day, the greatest possible returns in the shortest amount of time are typically concentrated around the official open and close of stock trading.

~~How to Be a Part-Time Day Trader—The Balance~~

If you are trying to learn day trading, it's important that you have a solid understanding of how the process works. You may have prior financial or investment experience, but day trading is very different. While investing is focused more on long-term predictions, day trading is geared more towards recognizing short-term price movement.
