helps you to be more confident. An agenda, or workshop plan, is a good way to make sure you're adequately prepared, and that you are being sensible about what you can cover in the time you have. It's always tempting to try to cram in too much, so be realistic about how much time you give to activities, and be brutal about taking stuff out!

Designing a learning event. There are many ways to use this guide for planning a workshop and the exercises and resources included. It is worth thinking carefully about the scope, purpose and design of your learning event (or series of events) and what can realistically be achieved with the time and resources available. Your activities may take one or more of the following forms:
