Typotheque: Letter Fountain, book review by Ben Archer

Everything you could ever want to know about printing letters and numbers Looking back as far as man's first efforts to communicate with visual signs and drawings, Letter Fountain is a completely unique typeface handbook: in addition to examining the form and anatomy of every letter in the alphabet (as well as punctuation marks and special characters), the book cross-references type designs with important works of art and art movements from Gutenberg's times until today.

characters), the book cross-references type designs with important works of art and art movements from Gutenberg's times until today .

Letter Fountain by Joep Pohlen - Goodreads

The Letter Fountain, from Taschen. OK Type junkies, available this month is a new release from Taschen that chronicles the history of man's quest to communicate with letter forms. Beginning with our first efforts to communicate with visual signs and drawings, the book "Letter Fountain" is a unique typeface handbook that examines the anatomy of every letter, punctuation mark, and ligature in the alphabet.
