Life. (Richards book) Life is a memoir by the Rolling Stones guitarist Keith Richards, written with the assistance of journalist James Fox. Published in October 2010, in hardback, audio and e-book formats, the book chronicles Richards' love of music, charting influences from his mother and maternal grandfather, through his discovery of blues music, the founding of the Rolling Stones, his often turbulent relationship with Mick Jagger, his involvement with drugs, and his relationships with ...

Reluctant outlaw, rock 'n' roll's unparalleled hellraiser, and one of the greatest guitar gods of all time, Keith Richards has forged a life that most of us can only imagine--and often envy. And amazingly he's lived to tell about it. Now, at last, in his own words, the ultimate rock Icon gives us the definitive rock autobiography.

very entertaining book about the life of keith richards...and what a life he's had. the book is billed as an autobiography although he had help from another writer.there is a lot of interesting stuff about the stones' early days when they just wanted to be a blues band, and quite a few tips on how he plays which would be helpful to musicians.then of course they became the biggest band in the world, and a large part of the book is devoted to his battling with various drug addictions ...

[Life by Keith Richards - Goodreads](#)

Perhaps the ultimate sex, drugs and rock n roll memoir, Life chronicles a fantastically dissolute existence as lynchpin of The Rolling Stones and sheds debauched light on the heyday of British rock. Recounted with wry humour and astonishing candour, Life is Keith Richards in glorious technicolor.
