Numbering and symbols. In English, a footnote or endnote is normally flagged by a superscripted number immediately following that portion of the text the note references, each such footnote being numbered sequentially. Occasionally a number between brackets or parentheses is used instead, thus: [1], which can also be superscripted.. Typographical devices such as the asterisk (\*) or dagger ...

A logo is a graphic mark, emblem, or symbol used to aid and promote public identification and recognition. It may be of an abstract or figurative design or include the text of the name it represents as in a wordmark. In the days of hot metal typesetting, a logotype was one word cast as a single piece of type, as opposed to a ligature, which is two or more letters joined, but not forming a word. By extension, the term was also used for a uniquely set and arranged typeface or colophon. At the leve

1488 is a combination of two popular white supremacist numeric symbols. The first symbol is 14, which is shorthand for the "14 Words" slogan: "We must secure the existence of our people and a future for white children."The second is 88, which stands for "Heil Hitler" (H being the 8th letter of the alphabet).Together, the numbers form a general endorsement of white supremacy and its beliefs.

It has also achieved notoriety as part of the logo of Stormfront, the oldest and largest white supremacist website in the world. The Celtic Cross, as typically depicted, is a traditional Christian symbol used for religious purposes as well as to symbolize concepts like Irish pride. As such, it is a very common symbol and primarily used by non ...

This name is a reference to the BOBs of the Marathon series, humans who were born onboard the titular colony ship. A symbol that resembles the Marathon logo can be found on the seat of the Wraith's Plasma cannon turret. While not appearing fully in the actual game itself, the whole symbol can still be seen in early concept art owned by Microsoft.
