The adventures of a motley crew in search of
an elusive prey.

Daisy records her observations and thoughts
on interesting events throughout the year.

This book contains all 11 Resnick/Nick
DiChario stories, including "The
Winterberry", the first story Resnick ever
bought from DiChario. It also includes "Even
Butterflies Can Sting", a story Resnick wrote
for one of DiChario's anthologies. The book
contains introductions by each of them, to
both the book as a whole and to each story.

the twentieth century, *Steal This Book* is as valuable today as the day it was published. It has been in print continuously for more than four decades, and it has educated and inspired countless thousands of young activists. Conceived as an instruction manual for radical social change, *Steal This Book* is divided into three sections--Survive! Fight! and Liberate! Ever wonder how to start a guerilla radio station? Or maybe you want to brush up on your shoplifting techniques. Perhaps you're just looking for the best free entertainment in New York City. (The Frick Collection--"Great when you're stoned.") Packed with information, advice, and Abbie's unique outlaw wisdom ("Avoid all needle drugs--the only dope worth shooting is Richard Nixon."), *Steal This Book* is a timeless reminder that, no matter what the struggle, freedom is always worth fighting for. "All Power to the Imagination was his credo. Abbie was the best."--Studs Terkel

Using the late 1970s and early 1980s as an entree to the workings of China's "socialist literary system," the author shows how that system held sway from 1950 until around 1990, when an encroaching market economy gradually but fundamentally changed it. In addition to providing a definitive overview of how the socialist Chinese literary system worked, Link off comparisons to the similar system in the Soviet Union. In the final chapter, the book seeks to understand how the word "good"

Much has changed since Camille Paglia first burst onto the scene with her groundbreaking *Sexual Personae*, but the laser-sharp insights of this major American thinker continue to be ahead of the curve—not only capturing the tone of the moment but also often anticipating it. Opening with a blazing manifesto of an introduction in which Paglia outlines the bedrock beliefs that inform her writing—freedom of speech, the necessity of fearless inquiry, and a deep respect for all art, both erudite and popular—*Provocations* gathers together a rich, varied body of work spanning twenty-five years, illuminating everything from the *Odyssey* to the Oscars, from punk rock to presidents past and present. Whatever your political inclination or literary and artistic touchstones, Paglia's takes are compulsively readable, thought provoking, galvanizing, and an essential part of our cultural dialogue, invariably giving voice to what most needs to be said.

This compelling true story follows a young girl whose life was torn apart by the civil war in Liberia, leaving her with nothing but the hope to survive. Her unforgettable true story will take you on a journey of fear,

panic and confusion. With no way out, she and her family must find a way to stay alive. As she struggles, becoming a refugee is something all too new for her but staying alive is the only hope she has.

This children's book captures the essence of the Christmas story when a little girl begins to question just how Christmas began. She goes on an amazing journey with Santa at her side. Along the way she discovers the true meaning of Christmas. Her discovery forever changes her & brings her the Merriest Christmas Ever!

The fifteenth book to feature the classic crime-solving detective, Chief Inspector Wexford. The thirteenth of May is famously the unluckiest day of the year. Sergeant Caleb Martin of Kingsmarkham CID had no idea just how terminally unlucky it would prove, as he embarked upon his last day on earth... Ten months later, Wexford is confronted with a murder scene of horrific brutality. At first the bloodbath at Tancred House looks like the desperate work of a burglar panicked into murder. The sole survivor of the massacre, seventeen-year-old Daisy Flory, remembers the events imperfectly, and her confused account of the fatal night seems to confirm this theory. But more and more, Chief Inspector Wexford is convinced that the crime lies closer to home, and that it has sinister links to the murder of Sergeant Martin...
