Place a dime-sized amount of primer onto your fingertips or a makeup brush, and apply to the center of your face. Slowly work it outwards and upwards so that your cheeks, forehead, and chin are all covered. Bonus Tip: There's also eyeshadow primer to help your eye makeup last all day and prevent "creasing." It's important that you purchase this product separately if you'd like to use it, as it's formulated specifically for the sensitive skin around the eye area.
