Making Master Guitars is a craftsman's handbook about the exciting and challenging pursuit of making classical guitars--a craft that the author reveals to be surprisingly accessible by following his instructions. The book is unique in that it includes nine separate detailed plans of instruments constructed by internationally famous guitar-makers. The author has had the rare opportunity of examining these instruments in detail, and has made many replicas of each one.

Amazon.co.uk: Roy Courtnall: Books
I am new to guitar making and am being taught one-to-one by Roy Courtnall, author of Making Master Guitars. I expect it to take 20-30 days in total and my time permits only one or two days a week working on the guitar so I think it will take around six months. It will be walnut back and sides, cedar neck and a lattice spruce top.
