Managed Care Contracting: A Practical Guide for Health ...

What is a Managed Care Contract. Managed care plans are the most common form of health insurance in the U.S. today. They are based on contracts between medical facilities and healthcare providers to provide care and services at a lower cost. Together, the providers who enter into the care contract form the plan's "network."

managed care quality a practical guide

Managed care contracting is a process that frustrates even the best administrators. However, to ignore this complexity is to do so at your own expense. You don't necessarily need to bear the cost of overpriced legal advice, but you do need to know what questions to ask, what clauses to avoid, what contingencies to cover ... and when to ask a lawyer for help.
