With each manufacturer in Japan, we work exclusively directly, ourselves export goods from Japan and ship them around the world, have many years experience working with spare parts for all kinds of machinery. All of this allows us to deal with even the most difficult issues in a short time and save our client's time and money. We can send you items separately or consolidate them before shipping.

KOBELCO's unique design for engine cooling, the iNDR system, cuts noise to extremely low levels. The newest KOBELCO approach to low fuel consumption, NEXT-3E, now also applies to short rear swing models, to maximize work volumes while saving on fuel. And the new ECO-mode in the SK75SR creates even greater savings on fuel to turn SR models into
