María Sabina Magdalena García was a Mazatec sabia, or curandera, who lived in Huautla de Jiménez, a town in the Sierra Mazateca area of the Mexican state of Oaxaca in southern Mexico. Her healing sacred mushroom ceremonies, called veladas, were based on the use of psilocybin mushrooms, such as *Psilocybe cyanescens*. They are known for introducing the western world to entheogenic mushrooms.

Sabina 's mother 's parents raised her in their home after her father passed away. She started down the path of shamanism at the age of

seven. Sabina and her sister ate mushrooms underneath a village tree which looked exactly like the ones local curanderos (Mazatec shamans) used to heal the sick. María picked up a handful of mushrooms and said.

María Sabina: The Mazatec Magic Mushroom Woman

María Sabina was well-respected in the village as a healer and shaman. She 'd been consuming psilocybin mushrooms regularly since she was seven years old, and had performed the velada mushroom ceremony for over 30 years before Wasson arrived. The intention of the all-night velada was to commune with God to heal the sick. The spirits, if effectively contacted, would tell Sabina the nature of the sickness and the way it could be healed.

María Sabina, thought to be more visionary or shaman than poet, was born in 1894. Her ideas and teachings are shown in this exclusive documentary about her life and devotion to Psilocybe Mushrooms.

María Sabina's Mushroom Rituals - Vocal

But it wasn't until an amateur mushroom enthusiast and bank executive named R. Gordon Wasson tracked her down that María Sabina became something like a global psychedelic superstar and ...

Meet María Sabina, the Oaxacan Curandera Who Brought Magic ...

Who is María Sabina?.. María Sabina was a Mazatec Shaman from Southern Mexico, born in 1894. She first discovered the sacred magic mushrooms realms at the tender age of 7. Being from a family of shamans, it was normal for her to be curious about the local healing plants. Aged eight, María was given her first healing message from the mushrooms when they told her what plants to use to cure her dying uncle.

Psychedelic Profiles: María Sabina | Magic Mushrooms Shop Blog

The mushrooms became a way of life for María Sabina. She became known as a Sabia (a wise person) and as a Curandera (Shaman). María Sabina has invited a numerous amount of people during her life to heal then through her powers she received from the mushrooms.

María Sabina - Mushplanet

Because the spiritual energies of the sabia would always dominate the velada, María Sabina would normally consume twice as many mushrooms as her voyagers, sometimes up to twelve pairs. In the tradition of Mazatec shamans and curanderas, María Sabina would first chew the mushrooms, hold them in her mouth for a while, and then swallow them. The mushrooms should be consumed on an empty stomach and eaten over a 20-30 minute period.

As promised, here is the link to Maria Sabina's Mushroom Ceremony. It was said that after her article in the LIFE magazine May 1957 issue, written by R. Gordon Wasson, the hippie culture stormed into Maria's home town, Huautla de Jimenez, in hopes of trying to "trip" with the Mushroom Mother.

Taypi Kala: Maria Sabina THE Mushroom Mother

The autobiography provides a first-person account of Sabina ' s life as a curandera, her meeting with Wasson and her relationship with psilocybin mushrooms. It is clear from this text that the mushrooms – which she refers to primarily as “ little saints, ” “ saint children, ” or just “ children, ” – held great spiritual and religious significance for Sabina.

Little Saints: The Sacred Healing History of ‘ Magic Mushrooms ’

Maria Sabina ' s ancient ancestors originally called shrooms the “ flesh of the gods ” , but after the Spanish Catholic conquest of the Aztec Empire, their beliefs were syncretized so Maria called shrooms “ God ' s flesh ” . However, she liked to refer to them as the “ holy children ” .

María Sabina. The Shroom Shaman | by Joshua Hehe | Medium

In 1955, banker R. Gordon Wasson, an amateur connoisseur of mushrooms, was introduced by the Mazatec shaman María Sabina to the ancient teonanácatl — the Psilocybe mushroom, called ‘ nti-ši-tho in Mazatec, Little-One-Who-Springs-Forth. María Sabina called them her saint children.

The Tragedy of Maria Sabina | Singing to the Plants

María Sabina: from The Mushroom Velada A major Wise One (= shaman) among the Mazatecs of Oaxaca, Mexico, María Sabina received her poems/songs through use of the psilocybe mushroom at all-night curing sessions (veladas): a practice going back to pre-Conquest Mexico and witnessed by the Spanish chronicler who wrote: "They pay a sorcerer who eats them [the mushrooms] and tells what they have taught him.
