Examiners must mark the first candidate in exactly the same way as they mark the last. 2 Mark schemes should be applied positively. Candidates must be rewarded for what they have shown they can do rather than penalised for omissions. 3 All the marks on the mark scheme are designed to be awarded. Examiners should always award full marks if deserved, i.e if the answer matches the

Some question papers and mark schemes are no longer available after three years, due to copyright restrictions (except for Maths and Science). Teachers can get past papers earlier, from 10 days after the exam, in the secure key materials (SKM) area of our extranet, e-AQA.

**AQA** | Find past papers and mark schemes Past papers and mark schemes accompanied by a padlock are not available for students, but only for teachers and exams officers of registered centres. However, students can still get access to a large library of available exams materials. Try the easy-to-use past papers search below. Learn more about past papers for students
