### Maximising The Impact Of Teaching

Welcome to maximisingtas.co.uk. We provide school improvement and training services based on our internationally-recognised research and guidance. Our team draws together professionals with a range of experiences in research, school leadership, classroom practice, school improvement, consultancy, and delivering professional development. We provide consultancy and training for school leaders, teachers and TAs to help ensure TAs thrive in their role and contribute to improved outcomes for pupils.

### Maximising the Impact of Teaching Assistants | MITA

Maximising the Impact of Teaching Assistants (MITA) aims to develop the way that teaching assistants can improve students' outcomes by working in a whole class setting. It provides training, at different times, for all staff in the school:

### Maximising the Impact of Teaching Assistants | Projects ...

Rob's involvement in the landmark Deployment and Impact of Support Staff Project (DISS) investigated how TAs affected learning outcomes. We also find out how findings from the research prompted Rob and his team to develop a programme, Maximising the Impact of Teaching Assistants (MITA), aimed at TAs to improve their interactions with pupils as well as developing their confidence and leadership capabilities.

### Maximising the impact of teaching assistants | RFTRW ...

Named by the British Educational Research Association as one of 40 landmark studies to have had a significant impact on education in last 40 years, the DISS project is the largest study of teaching assistants and other school support staff carried out in the world. The results, published in 2009 and widely reported in the media, found that the more support pupils received, from TAs, the less progress they made – especially those with special educational needs.

### Research - Maximising the Impact of Teaching Assistants

The fully updated second edition of this book draws on the experiences of schools that have put this guidance into action via the Maximising the Impact of Teaching Assistants programme. Revised to reflect the latest research evidence and changes within education, including the 2014 SEND Code of Practice, this book will help school leaders and teachers in primary and secondary settings to rethink the role, purpose and contribution of TAs, and add real value to what can be achieved in classrooms.
