The media have limitations on their freedom to publish and broadcast. Defamation of Character: Private Citizens Versus Public Figures. Freedom of speech and press by the media can conflict with a citizen's right not to be subject to false statements in the media that would defame a person's character.

Media regulations are rules enforced by the jurisdiction of law. Guidelines for media use differ across the world. [1] This regulation , via law , rules or procedures, can have various goals, for example intervention to protect a stated " public interest ", or encouraging competition and an effective media market , or establishing common technical standards.
